There s no scoreboard in the sanctuary, and the only plate is probably for the offering. But every church leader needs to know how to win.
Solutions | Drawdown
Drawdown maps, measures, models, and describes the 100 most substantive solutions to global warming. For each solution, we describe its history; the carbon impact it provides; the relative cost and savings; the path to adoption; and how it works. The goal of the research that informs Drawdown is to determine if we can reverse the buildup of atmospheric carbon within thirty
