7-Week Cycling for Fitness - PDF Free Download

How the program works The seven-week Program consists of two three-week blocks where you train for four sessions a week. The blocks are separated by a week where you train for three sessions but also do the Bike Test (see opposite) to evaluate your progress. In the first threeweek block, the focus is on building stamina, so you work at a low percentage of your maximum heart rate (MHR) (see pp
