"A Gift of Wings" and Bach's "Stranger to the Ground," led to my earning a Private Pilot's License, the second most influential event in my life. After reading Bach, I had little choice: I had to fly solo, above the clouds and earth, and experience the transcendental moments he described, or my life would be incomplete, perhaps even wasted.

[Lucy Maud Montgomery: The Gift of Wings - Goodreads](#)

"The Gift of Wings" is the biography of Lucy Maud Montgomery, best known as being the author of Anne of Green Gables. The novel is not quite what I would call well written as it jumps around a bit, it is full of information - much of which was still not known about Maud and her life as there are many gaps in her journals, especially towards the end of her life.
