SparkNotes: Through the Looking-Glass: Plot Overview

Alice sits in her armchair at home, drowsily watching her pet kitten, Kitty, as she unravels a ball of string. She snatches Kitty up and begins telling her about Looking-Glass House, an imaginary world on the other side of the mirror where everything is backward.

Bandersnatch - Wikipedia

A bandersnatch is a fictional creature in Lewis Carroll's 1872 novel *Through the Looking-Glass* and his 1874 poem *The Hunting of the Snark*. Although neither work describes the appearance of a bandersnatch in great detail, in *The Hunting of the Snark*, it has a long neck and snapping jaws, and both works describe it as ferocious and extraordinarily fast.
