[Home | Ontario Association of Architects](#)

The Ontario Association of Architects is a self-regulating organization governed by the Architects Act, which is a statute of the Government of Ontario. The Association is dedicated to promoting and increasing the knowledge, skill and proficiency of its members, and administering the Architects Act, in order that the public interest may be

[Architecture of Canada - Wikipedia](#)

In part because of the prominence of the Parliament Buildings in Ottawa and the CPR's "railway Gothic", Gothic architecture had become closely associated with Canada and while the United States embraced Art Deco, Canadian architects returned to the Middle Ages for inspiration, by way of John Ruskin's writings on Neo-Gothic, the most Victorian of all styles.

[architecture.com.au - Australian Institute of Architects](#)

The Australian Institute of Architects is the peak body for the architectural profession, representing 12,000 members in professional practice and education. It has national and state offices across Australia. It provides access to Australian Standards, ABIC building industry contracts, publications, and HR and legal advice. It conducts policy
