[Eve & Adam \(Eve & Adam, #1\) by Michael Grant - Goodreads](#)

2.5 stars In a sentence, Eve and Adam by the husband-and-wife writing team Katherine Applegate and Michael Grant is a smartly plotted and solidly written book that, unfortunately, lacks both depth and substance.

Eve and Adam: Katherine Applegate, Michael Grant ... Overall, Eve & Adam is a great quick read that is full of action and maybe a little bit of gore even. It is written by two amazing authors who know how to write a story that is completely addicting. If you like sci fi, or aren't sure about it yet and want to try some, I would definitely recommend this book. It's a wonderful read.
