(The sequence detailed below for drawing floor plans by hand is a good one to follow if you are using design software as well.)

Free Small House Plans - The Spruce

Once again, these house plans show their age in one glaring way: an 882 square foot house, with 31% of it given over to the car in the form of a garage. And once again, you can have a full 882 square feet of living space by parking the Escalade in the open air, constructing a carport, or building an enclosed garage in front of the house, to the left.
