Creative Visualization: Use the Power ... - Barnes & Noble

Creative visualization is the technique of using your imagination to create what you want in your life. There is nothing at all new, strange, or unusual about creative visualization. You are already using it every day, every minute in fact. It is your natural power of imagination, the basic creative energy of the universe, which you use constantly, whether or not you are aware of it.

Shakti Gawain

Shakti is a pioneer in the field of personal development. For over twenty-five years, she has been a best-selling author and internationally renowned teacher of consciousness.
