Veteran police detective D. D. Warren is certain of only one thing: There's more to this case than meets the eye. Danielle Burton is a survivor, a dedicated nurse whose passion is to help children at a locked-down pediatric psych ward.

### **Never Tell (Detective D.D. Warren #10) by Lisa Gardner**

Look for Me is the ninth book in the Detective D.D. Warren series and although it can be read as a stand alone novel a big part of the appeal for me is in the following of the series and watching the characters grow and change through personal and professional lives so new readers will be lacking a lot of the back story of the protagonist D.D.
