How Teaching Is Changing: 15 Challenges For The 21st ...

We've written before about the kinds of things modern teachers must be able to do. Below are 15 tasks that are less skill-based and some a bit more conceptual, collectively representing how teaching is changing.

21st-Century Teacher Education - Education Next

Studying Teacher Education explains the disconnect between what teacher educators believe is the right way to prepare a new teacher and the unhappy K-12 schools on the receiving end of that effort. It happens that the job of teacher educators is not to train the next generation of teachers but to prepare them.
