In Ethics for the Real World, Ronald Howard and Clinton Korver explain how to master the art of ethical decision-making by: Identifying potential compromises in your own life Applying distinctions

Ethics for the Real World: Creating a Personal Code to ...

Ethics for the Real World is a book that attempts to make it easier for you to make ethical decisions in your personal and business lives. Ultimately, this book proved less useful to me than I had hoped, being a fairly high-level analysis of most things. Useful insights in this book included the separation of issues into legal, prudential and ethical, as well as the three types of unethical
