[Eyes to the South: French Anarchists and Algeria](#)

It is held in some circles that anarchism, like Marxism, is a form of thought and praxis that originated in nineteenth-century Europe and as such is inseparably related to this social milieu; interventions and mobilizations taken outside of this geographical-historical intersection, however strongly critical they be of patriarchy, the State. [Eyes to the South: French Anarchists & Algeria by David Porter](#)

Porter's sensitive, learned, and accessible account is highly recommended for anyone wishing to acquire a deeper knowledge of the history of modern Algeria, as well as of the range of anarchist approaches, in both France and Algeria, to the pathways of Algerian politics before and since.

[Eyes to the South: French anarchists & Algeria - Libcom.org](#)

[Eyes to the South](#) studies the currents of the Algerian revolution alongside the development of French anarchist thought from the 1950s to the present. The book presents a fluid mosaic of actions, writings, and theoretical positions as it follows the shifting contexts of Algerian politics and [Eyes to the South: French Anarchists and Algeria | French ...](#)
