Fictive Interaction: The conversation frame in thought ...

The book thus establishes the role of the conversational turn rather than the sentence as the basic unit of language, and the role of conversation as a frame that structures cognition, discourse, and grammar.

Fictive Interaction: The conversation frame in thought ...

Language is intimately related to interaction. The question arises: Is the structure of interaction somehow mirrored in language structure and use? This book suggests a positive answer to this question by examining the ubiquitous phenomenon of fictive interaction, in which non-genuine conversational

Fictive Interaction The conversation frame in thought ...

Fictive interaction is the use of the conversation frame in order to structure thought, discourse, and language

(Pascual 2002, 2006, 2014). Fictive interaction may partially serve to model: (i) cognition (e.g. talking to oneself), (ii) the conceptualization of experience (e.g.
