Pages 2 This preview shows page 1 - 2 out of 2 pages.

Financial and Managerial Accounting for MBA's: Easton ...

I really disliked this book for my financial and managerial accounting class. The language is unnecessarily rigid to the field of accounting for an MBA class, the page numbering scheme is particularly obnoxious, and overall the book feels scatterbrained in its delivery of content. If you can, take a class which uses a different textbook -- this is probably the worst one I have ever had for any

What is the difference between financial accounting and ...

What is the difference between financial accounting and management accounting? Definition of Financial Accounting. Financial accounting has its focus on the financial statements which are distributed to stockholders, lenders, financial analysts, and others outside of a corporation or other organization.
