[Free Will, Agency, and Meaning in Life - Oxford Scholarship](#)

According to the position the book defends, we would not be morally responsible in the key basic-desert sense at issue in the free will debate if determinism were true, but we would also lack this kind of moral responsibility if indeterminism were true and the causes of our actions were exclusively states or events.

[Derk Pereboom, Free Will, Agency, and Meaning in Life ...](#)

Derk Pereboom articulates and defends an original, forward-looking conception of moral responsibility. He argues that although we may not possess the kind of free will that is normally considered necessary for moral responsibility, this does not jeopardize our sense of ourselves as agents, or a robust sense of achievement and meaning in life.

[What are the differences between free will and agency? - Quora](#)

Free will presupposes agency. In human terms, agency is the ability to alter one's environment according to one's conscious goals. To be an agent is to be able to make things happen. Agency requires the mental representation of one's future actions (intentionality) and the mental simulation of the possible effects of those actions (anticipation).

[Free Will and Personal Agency | Closer to Truth](#)

Personal agency is a state, the capacity of individuals to affect things. Free will is a mental faculty of various strengths. What's the relationship between free will and personal agency? It would seem that strong personal agency depends on a robust kind of free will, which makes an analysis of how they articulate especially important.

[What Is Free Will? - Life, Hope & Truth](#)

As free moral agents created with free will how we live is our choice. God, of course, desires that we choose to be like Him, meaning that we choose to obey His commands. When we make that choice, God ultimately will bless us. If we choose to disobey, there will be tragic consequences.

[Agency and free will | The Heretical Philosopher](#)

It seems to me that our notion of having free will fits pretty well with the opportunistic agency model. Some people want to define free will as the ability to violate the laws of physics, and of course we do not have free will in that sense. But I think we do have it in the sense of pragmatically choosing opportunities from among those that we perceive as available to us.

[Reformation Theology: Free will vs. Free Agency](#)

Free will is free agency. That which is said not to be free will is not free so free agency must be free will. That which is said not to be free will is not free so free agency must be free will. Never equate God's foreknowledge with a fixed a result.

[Free will vs. Free Agency - The Aquila Report](#)

Free will vs. Free Agency The Bible defines freedom, not as the freedom to choose otherwise in any way we please (contrary to our innate disposition), but as holiness, freedom from sin.

[Agency \(philosophy\) - Wikipedia](#)

Agency is the capacity of an actor to act in a given environment. The capacity to act does not at first imply a specific moral dimension to the ability to make the choice to act, and moral agency is therefore a distinct concept.

[Living Without Free Will - Pablo Stafforini](#)

Living Without Free Will In Living Without Free Will, Pereboom defends the view that morality, meaning, and value remain intact even if we lack moral responsibility,

and moreover, he argues that adopting his position could even be significantly beneficial for our lives. *Living Without Free Will* brings an original perspective to the topic of free will that compels us to reevaluate many of
