21 Must-Read Health, Fitness and Nutrition Books ... The argument that eating fat is a good thing reached the mainstream after this book by science writer Gary Taubes hit shelves. Although science began showing the benefits of consuming fats years before, Taubes showed how a diet filled with refined carbohydrates was the real cause of many health issues and how fat, despite being vilified, is Nutrition and Healthy Eating - Canada.ca

Health Canada is also recognized as an authoritative source of nutrition information. Health Canada's Office of Nutrition Policy and Promotion and Food Directorate are the main groups responsible for matters related to nutrition.
