#### 4 Home Vegetable Garden Ideas & Types on a Budget

The best type of vegetables to grow in a window box garden are lettuce, greens, and spinach, as they are sown on top of the soil and do not have deep roots. If you would like to grow tomatoes, carrots, and tubers, build or buy a deeper box. Spices such as oregano, basil, and chives also do quite well in a window box garden.

#### Top Vegetable Garden Ideas for Beginners 2018 Pictures

Remember that there is no need to limit your well-designed flourishing vegetable gardens to the backyard of your home. Great backyard design ideas to incorporate vegetable gardens can add a unique decorative element to your home's curbside areas as well.

#### Vegetable Gardening for Beginners: The Basics of Planting ...

Make your garden 11 rows wide, with each row 10 feet long. The rows should run north and south to take full advantage of the sun. Vegetables that may yield more than one crop per season include beans, beets, carrots, cabbage, kohlrabi, lettuce, radishes, rutabagas, spinach, and turnips.
