Personal Power is also a measure of the Ability to Focus Your Attention. The ability to focus your attention is a way to navigate through conflicting desires. Something important to realize is that while you may have developed great discipline in focusing your attention in some areas of your life, it doesn't mean you have mastery in focusing your attention in any situation.

[What is Personal Power? | April O'Leary](#)

Personal power is more an attitude or state of mind than an attempt to maneuver or control others. It is based on competence, vision, positive personal qualities, and service. When externalized it is likely to be more generous, creative and humane than other forms of power.
