Join us at our student organized undergraduate conference in January 2020 as we explore the past and present through presentations in Philosophy, History, and Politics. The Philosophy of History | Philosophy Talk

The role of secular history in religion was first underscored during the Enlightenment. It was then the realization first fully dawned that religious authority and validity depended fundamentally on the authenticity of history, and the fact that religious claim to historical accuracy on the basis of religious authority itself was overtly circular.

Philosophy of history | Britannica.com

Philosophy of history: Philosophy of history, the study either of the historical process and its development or of the methods used by historians to understand their material. The term history may be employed in two quite different senses: it may mean (1) the events and actions that together make up the human past, or
