Danube River Basin - International Waters Governance

The Danube River Basin extends from the origination of the Danube River in Germany to the Romanian and Ukrainian shores along the Danube Delta and the Black Sea. Legal Personality: The DRPC established the ICPDR to implement the Convention's objectives and provisions, with the Convention providing that the Contracting Parties shall cooperate in the framework of the ICPDR.

Danube - Wikipedia

The commission, established in 1998, deals with the whole Danube river basin, which includes tributaries and the groundwater resources. Its goal is to implement the Danube River Protection Convention by promoting and coordinating sustainable and equitable water management, including conservation, improvement and rational use of waters and the implementation of the EU Water Framework Directive
