Nobel Prize-winning author John Steinbeck masterfully weaves together four related stories in *The Red Pony*, with 10-year-old Jody Tiflin threading everything together. Rich in characterization, this multifaceted novel is a warm and wise look at one boy's maturation when he realizes he is powerless to control the events of his life.

About *The Red Pony*. Raised on a ranch in northern California, Jody is well-schooled in the hard work and demands of a rancher's life. He is used to the way of horses, too, but nothing has prepared him for the special connection he will forge with Gabilan, the hot-tempered pony his father gives him.

The Red Pony isn't what I would call one cohesive novel, but rather a collection of several glimpses into the farm-ranch life of Jody. The whole point of the pony is that Jody is learning to grow up, and he's learning that life isn't I was completely blown away by this short novel.

"The Red Pony" is not a novel, so readers expecting the cohesion and unity of a novel will be disappointed. The book should, in my opinion, be evaluated for what it is. And once you appreciate its own peculiar structure, you may, as I did, acknowledge "The Red Pony" as a powerful and beautiful work of art.
