[Beyond requesting: Using Scripts to Teach Conversation ...](#)

This month's communication and language strategy goes beyond requesting into conversation. Beginning (and more advanced) communicators can be introduced to conversations through scripts. Scripts for teaching the art of conversation can help give the language to initiate, maintain, extend, and

[How To Kit - nwtliteracy.ca](#)

If the script is based on an actual book, readers and listeners often want to read the book. It informs, as well as entertains. It can promote learning across the curriculum: in language arts, social studies, science, math. The scripts can be in any language. It improves listening skills. If readers write their own scripts, it can promote an interest in writing, and can improve writing and
