Shared Representations: Sensorimotor Foundations of Social ...

Any social activity, from a simple conversation to a well-drilled military exercise to an exquisitely perfected dance routine, involves information sharing between the brains of those involved. This volume comprises a collection of cutting-edge essays centred on the idea of shared representations, broadly defined.

Shared Representations: Sensorimotor Foundations of Social ...

Socially situated thought and behaviour are pervasive and vitally important in human society. The social brain has become a focus of study for researchers in the neurosciences, psychology, biology and other areas of behavioural science, and it is
