will describe the current state and try to 11.40 State-of-the-Art Lecture: 13.10 Presentation of the Hans Popper Award , the modern technology of molecular and cellular biology ... R. mistrasse 100.

Which one is correct, 'state of art' or 'state of the art ...' Going back to "state of art" it appears in the material you point out to be a phrase which is similarly becoming jargon in some fields. In a roundabout way, what I am saying is that language is right when it carries meaning to the recipient, that it changes all the time and what is correct is always in flux.
