The Dark Tide (Ty Hauck, #1) by Andrew Gross - Goodreads

The Dark Tide is the first in a series featuring detective Ty Hauck and the first that I've read; a third, Reckless, was published in 2010. Gross may be more familiar as James Patterson's co-author on several books as well, but he's a well-established author in his own right.

The Dark Tide Audiobook | Andrew Gross | Audible.ca

The Dark Tide One of the worst books I have listened to in quite some time - maybe ever - and one of the worst readers. The narrator is so consistently whiney it is laughable, and the author's vocabulary seems to be limited to "God Damn it Charlie"" "Why, Charlie, why" and "We

were a family, Charlie."
