[The Ethics of Killing Animals: There Is No One Answer](#)

The Ethics of Killing Animals: There Is No One Answer by Paul McCartney, conservationist and environmental social scientist Tweet ; There is a saying that the only things we all have in common are birth, death, and taxes. If there is a fourth thing common to every human being on the planet, it is that human lives depend on killing animals. This is true for hunters, trappers, animal-rights What a pain: the ethics of killing animals humanely The fact that there might be less pain associated with humane killing as opposed to the kind of slaughter we saw on Four Corners, might mean that the former is a better ethical bet than the
