It says something that after so many years C. S. Lewis is still one of the foremost Christian apologists of our time. The Problem of Pain is a difficult question every religion has to deal with, and one which has been especially difficult for Christianity.

['The Problem of Pain,' by C.S. Lewis - Sam Selikoff](#)

The problem of pain is only a 'problem' if we ascribe righteousness and love to our reality. Similarly, we must explain the historical development of Christianity. People can deny morality and the feeling of the Numinous, but if they do so, they cut themselves off from the great poets and prophets of all of human history.
