Historical Setting: The United States and Western Europe ...

Provides the historical setting for the relationship between the US and Western Europe before 1945. The account starts with the British American war of 1812, and goes on to America's military political isolation up to its 1917 declaration of war on Germany. It then looks at the inter war years, when American isolationism hardened, and **The United States and Western Europe Since 1945:From ...**
