"He was dead. However, his nose throbbled painfully, which he thought odd in the circumstances." Thus begins the third book in the OUTLANDER series, in which we learn that despite his best efforts Jamie Fraser did not die on the battlefield at Culloden. He isn't pleased. Back in the 20th century, Claire is equally shocked by the revelation. Voyager: Diana Gabaldon: 9780770428785: Books - Amazon.ca

Voyager is a great book for anyone who likes history with a good story, thus far throughout the Outlander series I have been glued to the pages and I am a very picky reader so if you do love a history novel with adventure and historical figures taking part in the story this will be for you. The OUTLANDER series started by accident in the late 1980s when I decided to write a novel for practice. My goals were: To learn what it took to write a novel, and To decide whether I really wanted to do that for real. I did, and I did and here we all are, still trying to figure out what the heck you call books that nobody can describe, but
